Civil Action No. 20-cv-2456 (RJM)(ZS2)

Dear Chief Judge Mauskopf,

I hope this message finds you safe and well. In reference to Civil Action No. 20-cv-2456, I ask the court to compel the Defendant to Discovery because the Defendant failed to respond to my complaint.

I overnighted a request to waive service form – two copies, completed and signed by me with a self-addressed envelope - to the Defendant on Wednesday, August 26th, 2020, which was delivered successfully to the White House on the morning of Thursday, August 27th, 2020. Please see the delivery confirmation information on page 2 of this letter, titled "Proof of Delivery." However, the Defendant did not respond to my request to waive service, and still fails to respond to my complaint even to deny the allegations brought against him, since delivering the complaint and copy of the summons to the Defendant on July 7th, 2020 and thereafter.

On September 28, 2020, I came across information that was released through the media about the Defendant's tax returns and financial documents. I immediately felt my chest compressing like a large weight was on it and felt like the walls were closing in, similar to how I felt when I was hospitalized on December 25, 2018, when I feared the Defendant was holding the country hostage for his own political or personal reasons. On October 8, 2020, I received an emergency alert that the area in which I live is now under additional COVID-19 restrictions, following the Defendant's visit to Bedminster, NJ. As you are most likely aware, the Defendant and several people that were in the Defendant's proximity at the Rose Garden ceremony days earlier, contracted COVID-19.

The Defendant's ignoring my complaint brought against him exemplifies his attitude towards ignoring expert's warnings, for example to wear a protective mask. My fear from the Defendant's careless and reckless conduct continues, and I barely leave the house because I fear that I will have another panic attack while driving, or in a public place. In combination with constant pain radiating from my spine, I cannot afford to suffer more physical or mental trauma since my accident on July 1st, 2019, but I am dealing with my symptoms as best I can. I do not know how much longer I can experience the symptoms the Defendant causes me without having irreversible or worsening life-long affects.

In addition, I have spent hundreds of dollars to serve the Defendant, and I am struggling to keep my head above water as I have to budget for medical services, as well as unforeseen additional expenses to care for my dog since his surgery in July of 2020.

Please consider the above factors in determining my request to compel the Defendant to the discovery process.

Sincerely,

Eric D. Wall - Plaintiff
